Chapter 1 by Story Wars

Above this sentence there is a title. Do you like it? I think it fits with the story well. Of course, I should be getting onto writing a story, but I prefer procrastinating. Hmmm... Oh wait, goddammit. I have a manuscript due on Friday. Well crap. this is bad. Very bad...

Chapter 2 by robin hood

There, above us, is an example of meta-fiction. And if I do say so myself, not a very good one. Anyway. This manuscript, is it as bad as this?

Chapter 3 by DANDAN THE DANDAN ~ anyone still remember me?

Above is a random dude who may or may not have a green sword. Under is a dude or dudette who probably thinks this paragraph is stupid. Here, is a guy who's name is DANDAN, and is a DANDAN, and has THE in between. In front of this very screen, is as ugly as the manuscript. (I'm talking about an ogre not you)

Chapter 4 by ...

This guy above me is so stupid that I can't even write a story about him. See more of Story Wars

Here is a guy who loves stories

Chapter 5 by The Gerbil Overlord (Does Not Exist)- is attempting to be the world's first juggler who can type at the same time. I won't be on as often because I have school, so if you sent me a challenge, that's why I haven't answered it. (Semi-Retired But Not Really)

The guy above me is an idiot who wouldn't know a good story if it punched him in the face.

The guy above him is a random donut who enslaved a human and made the poor human type for him.

The person below me is very stupid for writing a draft on this story and wasting his/her time.

The paragraph below has the ability to be invisible.

See????

Chapter 6 by DANDAN THE DANDAN ~ anyone still remember me?

The person above me is obsessed with gerbils and have no life. He/she always poses with a fake cardboard space ship and travel around his neighborhood to catch pokemons.

The person below me is going to write an insulting insult to me and insult the next person.

Other than that, their nose is covered in warts.

Chapter 7 by -

All of your writing has been destroyed in a fire...

The person above me is above me for a specific reason. If he was below me, he'd be stepped on so much, because his writing SUCKS. And what kind of name is **DANDAN THE DANDAN**?

Does he idolize himself so much that he takes his name, writes it down, and then liking what he sees, writes down his name again, then strings the together to form *DANDAN THE DANDAN*?

Oh, well this is neither here nor there because nobody will ever see this trash of a story, because the person below me, was STUPID, CARELESS, JEOLOUS, THOUGHTLESS, and SPINELESS and set a fire that destroyed all of my previous stories. **AFRAID OF A LITTLE COMPETITION, HUH?**

(I'm personally glad my stories are gone because then I'd have to go on tour, and then people would see all of my hideous war... (facepalm))

I believe I'll **plead the fifth** on that one.

So for those of you who will read my draft:

PLEASE

PLEASE

Chapter 12 by -

OK, Dandan **THE** Dandan:

This is the final chapter of this wonderful story, so don't F...k it up.

I, Kathy, will take it upon myself to win on my own merit:

I will play NO games (as some people who have contributed to the last few chapters have done).

I will NOT go into the chatroom and ply others and beg others to vote for pitiful ole me!!!

I will NOT put an advertisement in the local newspaper asking everyone, and anyone to vote on my draft.

I will NOT pretend that I am a child, and have a lemonade stand on the street corner where I live, not only giving FREE lemonade but asking young, vulnerable children to vote for me.

So there you have your final challenge, DANDAN THE DANDAN :)
